Description:

Description of project including duties performed:

From July 18th to 26th, Colégio Iape organized a mission trip for the students, and I participated as a volunteer. The mission took place in the city of Tamandaré, here in Pernambuco. Every day, we were divided into groups with different tasks, some people were responsible for painting walls, others for helping in the kitchen, others for playing with the kids, etc. I participated in almost all the activities, and it was really important for me to realize that I was having fun doing this work while also helping those in need.
