## Description:

Description of project including duties performed:

During the mid-year Tamandaré Mission organized by IAPE, I participated in several volunteer activities designed to support the local community. Our planning focused on dividing tasks among teams to ensure organization and efficiency throughout the project. We carried out a health fair, painted rooms for local residents, distributed missionary books during Impacto Esperança, and collected trash along Tamandaré Beach. These actions created a positive and visible impact by improving public spaces, promoting health awareness, and sharing educational materials. Overall, the project strengthened community well-being and encouraged teamwork and social responsibility among students.
