Description:

Description of project including duties performed:

Tamandaré Mission 2.0 occurred in the first semester of the year, therefore, we engaged in a diversity of activities that week, like colportage, cleaning the beach, painting, providing free medical treatment, helping the ambiental search center, washing the dirty dishes, helping in the pathfinder club, and making the little kids enjoy life together. We all shared meaningful moments with God, and through them I learned many valuable lessons. After all those experiences, I changed aspects in my social life / thought about my relationships, my spiritual life, and my intimate life. I am really thankful to learn all those biblical and life teachings.
