Description:

Description of project including duties performed:

I dedicated my community service hours to assist teenage students at our church who needed English language instruction. I assisted the weekly lesson preparation by reviewing vocabulary and creating activities and organizing discussions based on the Sabbath School study guide. The learning experience became more interesting when I introduced group reading sessions and question circles and small games which encouraged students to practice English speaking and thinking skills. I worked with students one-on-one to explain essential material and help them develop correct English speech skills. The experience enabled me to improve my communication skills while I built an engaging learning environment for others.
