Description:

Description of project including duties performed:

The project was "sponsored" by the mission agency of our school, with the goal of bringing a relaxing time to the seniors living there. Using diverse types of forms of entertainment. Some people choose to sing with them, even bringing an instrument along, others choose playing games like cards (personally, I choose to chit-chat with a senior because I don't know how to play cards). Usually, it's a small-to-medium group of people, we reunite, choose a certain spot to pray and organize our way to the place. As mentioned before, our intention was to bring a good time to the elderly that may feel lonely inside the retirement home.
